Before the Council can formally award the Proposed Contract, the Council requires evidence in the form of copies of policies, letters of confirmation from insurers or letters of confirmation from insurance brokers with regards the level of insurances the Council has requested the successful Bidder to have in place for commencement of the Contract:

- o Employer Liability £5million

It is intended to enter into a formal written Contract. The contract documentation will be forwarded to you when evidence of the required insurances are received. For the avoidance of doubt no contract shall be in place until the exchange of executed contract documents. The Provider Panel
